

MEMBERSHIP APPLICATION AND LETTER OF INTENT

The San Diego Regional Clean Cities Coalition is supported by and implements the goals of the Department of Energy's (DOE) Clean Cities Program. Clean Cities is a federal program to encourage both energy efficiency in transportation, reduction of petroleum usage and conversion of vehicles to alternative fuels where economically practical. Members of the San Diego Regional Clean Cities Coalition support controlling fleet operating costs, improving air quality, and promoting innovative new technologies.

As a participant in the San Diego Regional Clean Fuels Coalition, San Diego County Air Pollution Control District (Organization name) will join other interested organizations in support of expanding the understanding, availability, and use new transportation energy efficiency, petroleum reduction, air quality improvement and/or of alternative fuels and alternative fuel vehicles (AFVs) programs. As part of our involvement, we will (circle and fill in all that apply):

- ✓ Participate in the San Diego Regional Clean Cities Coalition scheduled meeting, activities, and other events.
 - ✓ Support the overall Goals and Objects of the San Diego Regional Clean Cities Coalition.
 - ✓ Research the benefits of energy efficiency programs, petroleum reduction actions and the using alternative fuels within our fleet.
 - ✓ Make proposals to top management based on research results.
 - ✓ Incorporate actions that can also either support the public alternative fuel infrastructure or support new transportation energy programs by our own fleet, our employees, or our customers.
 - ✓ Work with and encourage other area fleet administrators to consider new energy actions.
 - ✓ Share performance data or new program results with other Clean Cities participants.
- Other. _____

We understand that this Letter of Intent is not intended to and does not create any contractual rights or obligations with respect to the signatory or any other parties. We also understand that we will be asked to provide annual updates to the US Clean Cities database. This will provide a means to track the purchase and use of AFVs in our fleet, the corresponding refueling/recharging infrastructure, and projections for future purchases for ourselves and other Clean Cities partners across the United States.

I hereby apply for membership in the San Diego Regional Clean Cities Coalition. If accepted, I will abide by its Bylaws, support its Mission Statement and Goals and Objectives, and pay _____ in dues for the 2007-08 fiscal year.
